

party's request to file materials under seal must be made by formal motion, separate from the motion or other pleading sought to be sealed, pursuant to LCvR 7.1. Such motion must be filed electronically under the designation "Motion to Seal." The motion must set forth:

- (1) A non-confidential description of the material sought to be sealed;
- (2) A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
- (3) Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
- (4) Supporting statutes, case law, or other authority.

LCvR 6.1. It appears that the requirements of LCvR 6.1(c)(1) through (4) have been adequately met.

By the instant motion, Defendant Johnson & Johnson Consumer Inc. seeks to seal Exhibits 3, 5, 7, 8, 9, 10, 11, 14, 15, 16, 18, 19, 20, 21, 22, and 23 (Document Nos. 71-1 – 71-16) to "Defendant Johnson & Johnson Consumer Inc.'s Memorandum In Support Of Motion For Summary Judgment" (Document No. 71) because these documents contain or reference material "designated confidential by one of the parties to this litigation pursuant to the applicable Protective Order." (Document No. 70, p. 2).

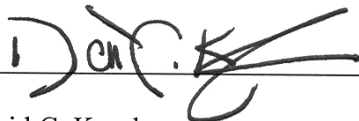

Having considered the factors provided in LCvR 6.1(c), the Court will grant the motion to seal. Noting that the time for public response has not run to this motion, the Court will consider any objection to this Order from non-parties as an objection to the motion, requiring no additional burden for any non-party under the Federal Rules of Civil Procedure. See Local Rule 6.1(e).

IT IS, THEREFORE, ORDERED that Defendant Johnson & Johnson Consumer Inc.'s "Motion to Seal" (Document No. 70) is **GRANTED**. Document No. 71 shall remain under **SEAL**

until otherwise ordered by this Court.

SO ORDERED.
